Women's Secrets

There is one man in the United States who has perhaps heard more women's secrets than any other man or woman in the country. These secrets are not secrets of guilt or shame, but the secrets of suffering, and they have been confided to Dr. R. V. Pierce in the hope and expectation of advice and help. That few of these women have been disappointed in their expectations is proved by the fact that ninety-eight per cent. of all women treated by Dr. Pierce have been absolutely and altogether cured. Such a record would be remarkable if the cases treated were numbered by hundreds only. But when that record applies to the treatment of more than half-a- million women, in a practice of over 40 years, it is phenomenal, and entitles Dr. Pierce to the gratitude accorded him by women, as the first specialists in the treatment of women's diseases.

Every sick woman may consult Dr. Pierce by letter, absolutely without charge. All replies are mailed, sealed in perfectly plain envelopes, without any printing or advertising whatever, upon them. Write without fear as without fee, to World's Dispensary Medical Association, Dr. R. V. Pierce, Prest.,

LAYMEN'S MISSIONARY MOVE MENT FOR EVANGELIZING THE WORLD.

"Is the Duty of the Church of Christ to Preach the Gospel to Every Creature"-This Is Declaration of Faith,

Minneapolis, Minn., Feb. 4.-That the plans of the Laymen's Missionary Movement, in its ambitious endeavor to evangelize the world within the present generation, are meeting with tremendous success is the stalement of distinguished missionaries and church workers who are in Minneapolis to take part in the opening of the conference this evening.

"Believing it to be the duty of the church of Christ to preach the Gospel to every creature, it is my purpose to pray, to study and to work, as God may give me opportunity, that the church of this generation may obey this command."

This simple declaration of faith in by hundreds of thousands of earnest Christian workers, and as a result the work of the foreign mission boards is being pushed into every nook and movement declare that it is not too much to hope for that the great mission be accomplished during the life of men now living, and that every epportunity to hear the Gospel.

Rheumatism is caused by an excess of uric acid in the blood, which gradually gets into the circulation because of indigestion, constipation, weak kidney action, and other irregularities of the system which are sometimes considered of no importance. This uric acid causes an inflamed and irritated with Mrs. William Scott Thursday | condition of the blood, and the circulation instead of nourishing the different portions of the body, continually deposits into the nerves, muscles, tissues and joints, the irritating, pain-producing acid with which it is filled. Rheumatism can only be cured by a thorough cleansing of the blood, and this is just what S. S. S. does. It goes down into the circulation, and by neutralizing the uric acid and driving it from the blood, effectually and surely removes the cause. S. S. S. strengthens and invigorates the blood so that instead of a weak, sour stream, causing pain and agony thoughout the system, it becomes an invigorating, nourishing fluid, furnishing health and vigor to every part of the body and relieving the suffering caused by this disease. S. S. S. being a purely vegetable blood purifier, is the surest and safest cure for Rheumatism in any of its forms. Book on Rheumatism and eny medical advice desired sent free to all who write.
